

Cassava Chips

Light, Crispy Addictive Crunch Step Away From The Potato

30-40% Less Fat
than Potato Chips

With twice the fiber and less fat than common potato chips, Arico Cassava Chips provide a delightfully satisfying flavor and a light, crispy crunch. All-natural, each flavor is lightly cooked without the use of trans fat and is gently seasoned in an array of tantalizing flavors.

Relatively unknown in North America, cassava grows much like the potato plant and is consumed by millions around the world. Good for you and good for the earth, Arico plants a tree for each store that carries its cassava chips.
